

County of Los Angeles Court-Referred Community Service (CRCS) Program Community Service Referral Agencies List

IMPORTANT! PLEASE READ:

The approved Community Service Referral Agencies (CSRAs) on this list are partnered with verified and reputable nonprofit agencies, pursuant to CRCS Policies and Procedures, and issue completion certificate and progress reports accepted by the Superior Court of California, County of Los Angeles. Please note that the CSRAs may charge a fee for their services.

Pursuant to Local Court Rule 8.22, if you have been ordered by the Court to perform community service, you must arrange your community service through any CSRA appearing on this list according to your preference, regardless of which Los Angeles County courthouse is handling your case. Community service performed directly through a nonprofit organization or any other agency not appearing on this list may not be accepted by the Court and not credited towards your community service obligation.

For information regarding community service eligibility or your community service obligation, please contact the Court.
